Our client Josh Jacobs was involved in a single vehicle accident on the morning of Monday, January 4th in Las Vegas, NV and sustained minor injuries, including a laceration to his forehead. Contrary to early media reports, Josh was never charged with a DUI. After an extensive review of the evidence, the Clark County District Attorney's office filed a Complaint this morning only charging Josh with failure to exercise due care. Josh appreciates the district attorney's thorough and complete review of the accident and we would like to thank the EMS and law enforcement at the scene.
