Dear Business Owner:

It has come to the attention of the Clark County Department of Business License through an investigation that you are operating an unlicensed Apartment Homes business at the above location, within the jurisdiction of Clark County and without a Business License.

"Clark County Code 6.04.010, License Required," states in part,

"It is unlawful for any person, firm association, partnership or corporation, to commence, carry on, engage in or continue (including the making of deliveries of goods, wares, and merchandise sold elsewhere) in the county, outside the incorporated cities and towns, both within and without unincorporated cities and towns, any business, trade, occupation or employment upon which a license tax is imposed without first paying such license tax and processing such license..."

Failure or refusal to obtain a County business license immediately upon receipt of this Notice and the continued operation of your business without a license may subject you to a citation and Notice to Appear in the Justice Court of Clark County.

You may direct your inquiries in regard to this matter to the undersigned agent at

Sincerely,
