Dear Vanessa Murphy:

The Nevada Department of Correction (NDOC) received your request for records on March 21, 2022. This request seeks the release of certain records maintained by this office, specifically:

- All documentation and reports associated with the disturbance reported at Southern Desert Correctional Center on Wednesday, December 8th, 2021, all surveillance videos from the disturbance, a list of all inmates and employees involved in the disturbance, and all internal Department of Corrections emails about the disturbance.

NDOC has conducted a review of records in our custody. The responsive records produced by this search may not be released at this time because release may jeopardize sensitive law enforcement information.¹

Sincerely,

W.C. "Bill" Quenga, Acting Public Information
Officer
Nevada Department of Corrections
