

THE REPRODUCTIVE FREEDOM AMENDMENT

Explanation - Matter in *italics* is new; matter between brackets [~~omitted material~~] is material to be omitted.

THE PEOPLE OF THE STATE OF NEVADA DO ENACT AS FOLLOWS

1. **Section 1.** That a new section, designated Section 25, be added to Article 1 of the Nevada Constitution to read as follows:

1. Every individual has a fundamental right to reproductive freedom, which entails the right to make and effectuate decisions about all matters relating to pregnancy, including, without limitation, prenatal care, childbirth, postpartum care, birth control, vasectomy, tubal ligation, abortion, abortion care, management of a miscarriage and infertility care. The right of an individual to reproductive freedom shall not be denied, burdened or infringed upon unless justified by a compelling State interest that is achieved by the least restrictive means available.

2. Notwithstanding the provisions of subsection 1, the State may regulate the provision of abortion care after fetal viability, provided that in no circumstance may the State prohibit an abortion that, in the professional judgment of an attending provider of health care, is medically indicated to protect the life or physical or mental health of the pregnant individual.

3. The State shall not penalize, prosecute or otherwise take adverse action against an individual based on the actual, potential, perceived or alleged outcome of the pregnancy of the individual, including, without limitation, a miscarriage, stillbirth or abortion.

4. The State shall not penalize, prosecute or otherwise take adverse action against a provider of health care, who is licensed by the State, for acting consistent with the applicable scope of practice and standard of care for performing an abortion upon, providing abortion care to, or providing reproductive care services to an individual who has granted their voluntary consent.

5. The State shall not penalize, prosecute or otherwise take adverse action against any individual or entity for aiding or assisting another individual in exercising the right of the individual to reproductive freedom with the voluntary consent of the individual.

6. Nothing herein narrows or limits the rights to equality and equal protection.

7. As used in this section:

(a) “Compelling state interest” means an interest which is limited exclusively to the State’s interest in protecting the health of an individual who is seeking reproductive health care that is consistent with accepted clinical standards of practice.

(b) “Fetal viability” means the point in a pregnancy when, in the professional judgment of an attending provider of health care and based on the particular facts of the case, there is a significant

likelihood of the sustained survival of the fetus outside the uterus without the application of extraordinary medical measures.

Sec. 2. Severability. If any part of this Act be declared invalid, or the application thereof to any person, thing or circumstance is held invalid, such invalidity shall not affect the remaining provisions or application of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable. This subsection shall be construed broadly to preserve and effectuate the declared purpose of this Act.

DESCRIPTION OF EFFECT

If enacted, this initiative would add a new section to Article 1 of the Nevada Constitution establishing a fundamental right to reproductive freedom. This initiative enables individuals to make and carry out decisions about matters relating to their pregnancies, including prenatal care, childbirth, postpartum care, birth control, vasectomies and tubal ligations, abortion and abortion care, and care for miscarriages and infertility.

If this measure is enacted, the State still may regulate provision of abortion care after fetal viability, except where medically indicated to protect the life or physical or mental health of the pregnant individual.

Under this measure, the State may not penalize, prosecute, or take adverse action against any individual based on the outcome of a pregnancy of the individual, or against any licensed health care provider who acts consistent with the applicable scope and practice of providing reproductive health care services to an individual who has granted their voluntary consent. Neither may the State penalize, prosecute, or take adverse action against any individual or entity for aiding or assisting another individual in the exercise of the rights established by this initiative.
